

COMMERCIALS

Stunt Coordinators are Covered by the SAG-AFTRA Commercials Contract

Beginning April 1, 2019, the SAG-AFTRA Commercials Contract has covered Stunt Coordinators working on union commercials. While performers are paid a negotiated scale rate based on whichever is greater — the number of commercials shot or the number of 8-hour days worked — Stunt Coordinators have terms that are specific to work that they do.

These terms are:

1. Stunt Coordinators are paid their standard negotiated day rate.
2. Stunt Coordinators are paid per 10-hour day.
3. Stunt Coordinators receive pension and health contributions on work days as well as on prep days.
