

Contract ANNOUNCEMENT

First HBSVOD Bonus Payments

TV/THEATRICAL/STREAMING

HBSVOD Bonus Payments began arriving October 2024!

During our last negotiation, the TV/Theatrical/Streaming contract achieved Bonus Payments for performers who work on the top new High Budget Subscription Video on Demand (HBSVOD) shows. This means performers get extra payments for those shows!

1. The 2nd quarter payments have been processed, mailed and should begin to be visible on the residuals tracker.
2. Internally at SAG-AFTRA, we have set up a new code to identify these payments on the residuals portal and performers' statements
3. Performers who worked on HBSVOD shows and were prepaid residuals may not receive checks if the advance pay in a performer's contract was negotiated to allow it to be used for bonus payments that are due.
