

CES 2025

EXHIBITOR STOPS FOR SELF-GUIDED TOURING

LVCC - North Hall

MICROMOBILITY

[MotoSurf](#) (10941)

Electric Jetboard Watercraft

[Intelligent Cranium Helmets](#) (11029)

Blindspot-eliminating Smart-Helmet

[Inmotion Technologies Co., Ltd.](#) (10929)

Electric unicycles, including rugged/offroad

VEHICLE TECH & ADVANCED MOBILITY

[Guangdong Huitian Aerospace Technology Co., Ltd.](#) (Xpeng/AeroHT) (10329) **VIP Tour Stop**

Modular Flying Car/eVTOL Transportation

[AC Future](#) (10515)

Next-Gen, Smart RV – EV “Transformer Home”

[Beyless Co.,Ltd.](#) (10743) **VIP Tour Stop**

Drone and vehicle future concept of delivery and patrol service.

SUSTAINABILITY

[Daedong](#) (9853)

Smart, Autonomous Agriculture

[Exeger Operations AB](#) (9726)

Small, Flexible Solar Cells for Devices

[JACKERY](#) (9815)

Leading provider of portable power solutions, specializing in solar generators, portable power stations, and solar panels

ENTERPRISE B2B

[Steg.AI](#) (9475) **VIP Tour Stop**

Watermarking and deep fake detection for digital media protection and security

[Placer Labs, Inc.](#) (9538)

Location analytics solutions, offering real-time foot traffic insights and consumer behavior data for businesses and retailers.

[Build Within](#) (9325) **VIP Tour Stop**

On-the-job training software platform; Maestro AI Assistant

[Lotte Innovate](#) (8913) **VIP Tour Stop**

AI-driven solutions to enhance efficiency and customer experience across many sectors including smart retail and customer service agents, smart agriculture, logistics optimization, and language translation.

[Siemens](#) (8725) **VIP Tour Stop**

AI industrial infrastructure and digital twins with an Immersive Theater.

[Solomon Technology USA Corp.](#) (9376) **VIP Tour Stop**

Manufacturing Automation & Intelligence

ARTIFICIAL INTELLIGENCE / ROBOTICS

[Otonomous Hotel](#) (Growth Holdings) (8543) **VIP Tour Stop**

AI Hotel Experience

[Unitree Robotics](#) (HangZhou YuShu Technology Co., Ltd.) (9263) **VIP Tour Stop**

Multi-function/Multi-form Humanoid and Industrial Robots

[Realbotix](#) (9278)

Realbotix creates customizable, human-like robots with AI integration that improve the human experience through learning, connection and play.

[Time Kettle](#) (9163)

AI-powered translation devices and solutions for real-time multilingual communications.

[MAUM.AI](#) (9063) **VIP Tour Stop**

Conversational AI Agents

[ULS Robotics Co.,Ltd.](#) (9062) **VIP Tour Stop**

Exoskeleton robots for industrial applications

[Enchanted Tools](#) (8463) **VIP Tour Stop**

Anime-inspired, Highly Dexterous Companion and Service Robots for Multiple Uses

[Richtech Robotics](#) (8549) **VIP Tour Stop**

Service robots and collaborative robotics

[Star Robotics](#) (8255) **VIP Tour Stop**

Ground-Based Robots for Surveillance and Inspection

HEALTH AND SAFETY

[Abbott](#) (8713) **VIP Tour Stop**

Advanced healthcare and diagnostic technologies. Neuromodulation with AI for pain management, depression, cardiovascular conditions. New saliva-based test for concussions. Live demos of Libre and Lingo diabetes monitoring.

[3M](#) (8513)

Problem-solvers through material science. 3M will have 15+ new products showcased including a revolutionary innovation in home air filtration from Filtrete™, new safety solutions for Fire (Scott™) and Welding (Speedglas™) personnel.

LVCC - Central Hall

MAIN HALL

[LG](#) (15004)

Advanced Displays, Robotic Systems, Smart Home and Appliances, Gaming and Entertainment

[Bosch](#) (16203)

Mobility, Smart Home/Grid, Smart Manufacturing

[Panasonic](#) (16605)

Wide-ranging consumer, industrial and energy infrastructure technologies

[TCL](#) (17704)

Home entertainment, appliances, and mobile devices

[Samsung](#) (18604)

Home entertainment, appliances, mobile devices, smart home products

[Sony Honda Mobility](#) (19904)

AFEELA prototype passenger vehicle

GAMING / XR

[MetaVu](#) (15241) **VIP Tour Stop**

Immersive virtual reality solutions and AI-driven analytics for business insights, training, and interactive customer experiences.

[Interact Co., Ltd.](#) (15950)

AR/VR-based Professional Training Environments

[Hypervsn](#) (15544) **VIP Tour Stop**

Holographic Solutions for Various Advertising, Events, Spaces

[bHaptics](#) (14650)

Full Suits Providing Interactive, Haptic Feedback

LVCC - CENTRAL PLAZA

[Scout Motors](#) (CP-412)

The new Scout Traveler and Terra EV models are here, born from the original legend, retooled for a new era.

LVCC - WEST HALL

TRANSPORTATION AND MOBILITY

[Smart Eye AB](#) (3840) **VIP Tour Stop**

In-Cabin Sensing, Generative AI; Aviation, Commercial Fleet, Construction

[Waymo](#) (5040) **VIP Tour Stop**

Autonomous, electric ride-hailing; commercial delivery

[John Deere](#) (5016) **VIP Tour Stop**

Agriculture/Food Tech, Electrification, Autonomous Systems, Commercial

[Caterpillar](#) (6416) **VIP Tour Stop**

Agriculture/Food Tech, Electrification, Autonomous Systems, Construction

[Kubota](#) (5700)

Robotics, AI-driven autonomous agriculture & construction

[Brunswick](#) (6116)

Marine Electrification, Personal hydrofoils

[Oshkosh](#) (5616) **VIP Tour Stop**

Electrification, Autonomous Systems, Commercial

[What3Words](#) (6174)

Precise geolocation using just three words.

[Honda](#) (4640) **VIP Tour Stop**

Forthcoming “Zero Series” EVs

[Zoox](#) (3316) **VIP Tour Stop**

Autonomous electric robotaxis

VENETIAN EXPO – HALLS A-D

[EssilorLuxottica](#) (52700)

RayBan Meta AR Glasses, Nuance Hearing Aid Glasses

[Smartsound](#) (54110)

Skeeper RI smart stethoscope w/ thermometer and camera

[AARP AgeTech Collab](#) (53423)

26 different exhibitor startups leading the way in brain health, wellness, smart living, and social engagement.

[WIRobotics](#) (54435)

Wearable robotic harnesses for mobility or back support when lifting.

[epitome GmbH](#) (55035)

e1 oral care system uses AI-driven biofilm detection and a robotic cleaning system to achieve 99% cleaning in just 30 seconds. Has 100+ sensors.

*** [CES INNOVATION AWARDS](#) *** (50043)

Visit the CES Innovation Awards® Showcase, to see winning products from the 2025 Honorees displayed.

VENETIAN EXPO - EUREKA PARK

Lower Level – Walk the aisles featuring more than 1400 tech start-ups from around the world.
