

Reallocation of Contributions for Television Motion Pictures under the 2014 SAG-AFTRA Television Agreement

The following shall be in effect for television motion pictures produced on or after July 1, 2016.

SAG Pension & Health Plans

- 1/2-hour and 1-hour television motion pictures made for network
- 1/2-hour television motion pictures made for basic cable
- Television motion pictures made for syndication
- All television motion pictures made for pay television or for the home video market
- All television motion pictures made for The CW
- All long form television motion pictures (including mini-series)

AFTRA Health & Retirement Funds

- 1-hour television motion pictures made for basic cable
-
- 1) For any new television series made for The CW and any new half-hour network series, for which the only principal photography commenced prior to July 1, 2016 was for the pilot or presentation, the Producer shall make contributions to the SAG Pension and Health Plans (even if contributions for the pilot or presentation were made to the AFTRA Health & Retirement Funds);
 - 2) For any existing television series (that is, a series that began principal photography prior to July 1, 2016), the producer shall continue to make contributions to the same Plans or Funds to which contributions were made prior to July 1, 2016.
 - 3) All other allocations provided in the 2014 Memorandum of Agreement between SAG-AFTRA and the AMPTP, remain unchanged.
