01 / TALIA PURA

It has been my pleasure to serve on the NM local board for the past four years, most recently as second vice-president. Previous to moving here in 2016, I spent eight years as the president of my Canadian local, as well as holding the position of National Rep, which included one term on the National Executive. I am ready to bring all of my experience to the position of President here in New Mexico, building on the great work done by previous boards, striving always to support and improve the working lives of our members.

03 / EFRAÍN VILLA

Currently starring in the new hit comedy series PRIMO, Efraín Villa is proud to showcase New Mexico's talent and professionalism on a national and international level. As SAGAFTRA president, he will work to ensure more opportunities like the ones presented to him are available to all local talent. New Mexicans should be able to make a living from our craft, and booking a series regular role without leaving his hometown is a point of great pride for Efraín. In addition to his acting experience, Efraín brings to our chapter his management expertise as a successful small business owner and entrepreneur.
