Serving as your National Board member, former National Vice President and local President has been an honor and commitment. I've lived and worked here since '75 and believe our AZ-UT members are as active and professional as any across this country. I am eager to continue to keep us safe, protect our contracts, provide support for our members, and help secure work under Union contracts. Everyone is ready to get back to work and have more access to jobs. My experience, involvement, and desire to be part of the process is why I am asking for your confidence and vote.

Hello to all my Arizona/Utah union brothers and sisters. Many of you know me as I have been serving in the last two years as a board member at large. This term I am running for the position of Southern Arizona vice president, I wish to continue to work on your behalf, to get more productions filmed here. My only agenda is to get more SAG/AFTRA jobs for our members by working with legislators to provide incentives to film in Arizona. Thank you for your support..
