01 / FRANCO PULICE

Many changes have occurred in Michigan the last decade. SAG-AFTRA Michigan local has lost it's voice and community. We need positive change and a revival of our film incentives to be much stronger and provide our members with more growth opportunities and jobs within our own market. Access to training opportunities in all areas of our talent base is also a necessary and ideological principle of what a union should be and stand for. Bringing back that sense of community is a must. A union that invests in its people finds people that will invest in it.

02 / ERIC WYDRA

My name is Eric Wydra and I am the incumbent Michigan Local President. I am running for re-election and am asking for your vote! The last 18 months have been extremely challenging for all, and many of us have been negatively impacted in our ability to work in this industry. Your Michigan board is passionate about creating new opportunities for our members. Looking forward we plan to continue efforts to get Film Incentives back in Michigan, organize new TV and radio broadcast stations, increase union Co-Ed production and flip non-union commercials to SAG-AFTRA. Thank you for the opportunity to serve!

The President, by virtue of their election to that position, shall also serve as a Convention Delegate. The President will also serve as a Local Executive Committee Member.
