This newly created board position representing singers in Nashville, is one I've longed for. Now that it is here, I would be honored to serve. I'm a singer since the age of 4. Classically trained, began my career as a Gospel Singer, joined the union in 1976, and have served on the local board, singer's negotiating committee, served on the merger committee, and have represented Nashville at National Convention on several occasions. I'm proud of the recording session work I've done in Nashville since 1981, proud to serve as a local board member. I promise to represent your interests proudly
