On The Nanny I wore many hats which prepared me to deal with studios and networks. I know the entry portal for maximum results. I founded the Cancer Schmancer Movement. I passed a bill in DC by unanimous consent. I am Public Diplomacy Envoy for Health at the US State Dept. I can reach across the aisle and get the job done! I will reunite our dysfunctional and divided union. We must reduce infrastructure expenses, go virtual to reappropriate for member needs. Streaming must be redefined. Diversity is a priority. I will challenge the status quo. www.UniteforStrength.com

I have been here, working our Union issues on the National and Local Boards for four years and have served on over 16 philanthropic and civic boards. ModineLegacy.com My goal: Protect the cornerstones of our Union; a thriving Health Plan, preserving our residuals, enforcing contracts, safeguarding our pensions and as an original Member of the LA Local-Sexual Harassment Committee, ensuring safe working conditions for all. Accomplishing this requires greater inclusion, global leadership, transparency, truthfulness and sustainable prosperity. Joely Fisher and I are prepared to fulfill these goals and respectfully ask for your vote. **Vote MODINE•FISHER MembershipFirst.com**

The current state of our Union is unacceptable; The Health Care disaster, the perverse approach to residuals, the failure to prevent absurd exclusivity provisions, paltry Sexual Harassment protections and so much more, it's clear that we need a new direction. I am determined to tackle these big problems and to work with Matthew Modine to lead our organization with truth and transparency. I've served on the National Board and on countless Committees. My mother, Connie Stevens served as your Secretary-Treasurer. I want to honor her and serve all of you. I ask for your vote. **Vote**

As artists, we come together—from all walks of life—to create something bigger than ourselves. We have the same opportunity as a union, to collectively and responsibly move SAG-AFTRA into the future. Throughout my 40 years of union membership, I've experienced every aspect of this industry, and it would be my honor to leverage our collective power to protect our safety, improve our working conditions, and shepherd SAG-AFTRA into a new era. Our union's funding is a result of our collective hard work, and **as Secretary-Treasurer I will act with integrity to safeguard our**
