VOTE FOR NO MORE THAN ONE (1)

01 / LISA ANN GOLDSMITH

I believe that you have no right to complain if you're not willing to do the work necessary to effect change. I have been a Board Member of SAG-AFTRA for twelve years and Convention Delegate/ National Board Alternate. I intend to specifically work to ensure that acting opportunities are readily available in every film and TV series that shoots in our area, and will campaign for a required number of local contracts so that our members have plenty of opportunities. I will continue to serve to ensure that we are protected. <https://unionstrongohpit.org>

02 / EDNAH WRIGHT HOLT

I believe it is a necessity for people in the arts to have a central platform of support. SAG-AFTRA is that. It brings a unified conduit for the artist to ensure their voices are heard for their time, talent, and working environment. Growing up, my father was the first African American shop steward for Pittsburgh Levison Steel Mill. He helped steelworkers acquire many benefits. As your dedicated Local Board member, I will voice the needs of the Ohio-Pittsburgh SAG-AFTRA members.
