I hope to serve you and this Union as I have for the past 46 years not only in board rooms and conference rooms on negotiating teams but also where we all work. I have been a shop steward for 15 years, a member of the Ohio-Pittsburgh local board for the past four years and a member of the National Broadcast Steering Committee for 15 years. As an actor, a broadcaster and a voiceover artist I intend to represent our members where all this Unions work is done, on sets in front of the cameras, behind broadcast mics and in recording

02 / LISA ANN GOLDSMITH

I believe that if you're not willing to do what is necessary to effect change then you have no right to complain. I have been a Local-Board-Member at Large and/or National-Board-Member-Alternate of SAG-AFTRA for nine years (representing at the January 2016 National Board Meeting and 2013 National Convention). I strongly believe in the necessity and the power of our union, especially in the current political climate. I will continue to work at my greatest capacity to ensure that we are protected while we do what we love.

Hello Sisters and Brothers, I would be honored to continue to serve you as your representative to the National Board as well as one of our delegates to the National Convention. Please sign my petitions so that I may further advance the issues important to our Local. Thank You for your ongoing support, Chris

I have served this Union for the past 46 years as Shop steward, Local Board Member and a member of the National Broadcast Steering Committee and I'm hoping to continue my service as an incumbent Local Board member. I believe that while it's important to be part of a negotiating team it's also important to be on the jobs where we work. Our Union sets in front of the cameras, where SAG-AFTRA has been very vocal and productive seeing that film work that comes here is SAG-AFTRA. As a broadcaster I'm hosting a morning show here and work commercially as well as an actor on the

07 / EDNAH WRIGHT HOLT

I come from a strong union family where my father was a shop steward steelworker, for the steelworkers union, for Levinson Steel Mill Company. I have served on several SAG and AFTRA committees for many years before they merged together as a voice for our SAGAFTRA members. I also was a convention delegate for New York singers in 2014 before I moved back to Pittsburgh. My union roots and experience taught me that unity, commitment, consistency and using our voices for the members, is the key to win and protect our members to move forward in Pittsburgh.
